MEMORANDUM FOR: Deputy Director of Security (PTOS)

SUBJECT : Micropower Symposium - Preliminary Meeting

1. Following our conversation today, I called Stan Bull, Executive Officer of the Office of Research and Development, DD/S&T, to find out who would be attending the preliminary meeting on the proposed Micropower Symposium. Stan gave the following as tentative attendees:

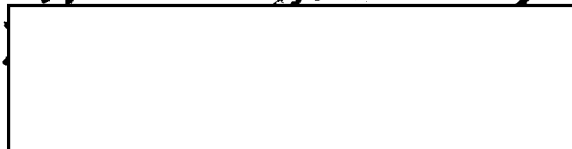

25X1

2. I asked [redacted] if the proposed seminar has the blessing of Col. White since it has been proposed as an across-the-board deal for the benefit of all elements of the Agency. [redacted] said that, to the best of his knowledge, Col. White had not given any approval as yet and would probably want to know what the various Offices of the Agency thought about the proposal. [redacted] said the Office of Security would probably be asked for an opinion on the proposed seminar at the preliminary meeting on Tuesday, 27 February.
